No-Sew Facemask

Make this face mask in 3 easy steps!

What you'll need:

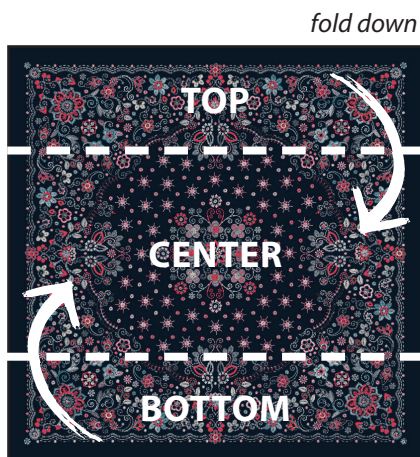

- Elastic hair ties
- Bandana, or piece of woven fabric

STEP 1:

- Start with the material face down
- Fold the top and bottom edges so they meet at the center

BANDANA / Back Side

fold up

STEP 2:

- Flip material over
- Repeat same action, fold the top and bottom edges to meet along the same center line

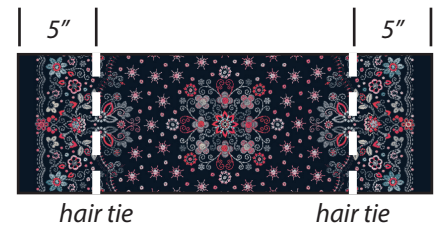

BANDANA / Front Side

fold up

STEP 3:

- Flip material over again
- Slip elastic hair tie around each end, about 5 inches in
- Fold the free edges in toward the center and tuck the ends together

STEP 4:

- Loop elastic hair ties around ears
